## PREFACE

The Vanuatu National Statistics Office (VNSO) is pleased to publish the Quarterly Statistical Indicators (QSI) for the March quarter 2019.

This report contains a wide range of statistics, collected and processed by the VNSO from a variety of sources.

The Quarterly Statistical Indicators contains only a small fraction of available official statistics. More detailed information on different topics and tables of special interest can be obtained from other publications (refer to the list at the end of this QSI), or directly from the VNSO databases.

Should you require more information on these indicators, our staff is always here to assist you.

for Mr. KAP Calo Andy  
Government Statistician
